COMPLAINT AND PETITION TO INTERVENE

Comes Paul G. Summers, the Attorney General & Reporter, through the Consumer Advocate and Protection Division of the Office of Attorney General (hereinafter "Attorney General"), pursuant to Tenn. Code Ann. § 65-4-118 and Rule 1220-1-2-.02 of the Tennessee Regulatory Authority and respectfully complains and petitions to intervene in this case on behalf of the public interest since consumers may be affected by actions taken in this docket. The Attorney General complains and petitions as follows:

1. The Attorney General has a duty and the authority under Tenn. Code Ann. § 65-4-118(c)(2)(A) to represent the interests of Tennessee consumers of public utilities services.
2. Additionally, under Tenn. Code Ann. § 8-6-109, the Attorney General has the duty and authority to attend to all business of the state.
3. The Attorney General is authorized by Tenn. Code Ann. §§ 65-4-118 and 65-5-210(b) to initiate, participate or intervene in proceedings to represent the public interest in

accordance with the Uniform Administrative Procedures Act ("UAPA").

4. Ardmore Communications, LLC ("Ardmore") is a telecommunications utility regulated by the Tennessee Regulatory Authority ("TRA") pursuant to Tenn. Code Ann. §§ 65-4-101 and 65-4-104. Its usual address for service is P.O. Box 549, 30190 Ardmore Avenue, Ardmore, Tennessee 38449.

5. Ardmore filed a tariff to provide reductions to offset a portion of the 2002 Tax Credit in order to comply with Tennessee Code Annotated § 67-6-222. However, Ardmore has failed to divide the annual savings over an twelve period as opposed to their filed eighteen month period which results in understated reduction in rates to business customers.

6. Ardmore filed a tariff to provide reductions to offset a portion of the 2002 tax credit in order to comply with Tennessee Code Annotated § 67-6-222, however, they have not complied with the statute. Tennessee Code Annotated § 67-6-222 indicates that any net tax savings are to be passed onto business cusotmers in the form of a price reduction.

7. If the tariff allowing the rate reduction to offset a portion of the 2002 tax credit becomes effective, it would result in understated rate reductions to business customers contrary to the intent of Tennessee Code Annotated § 67-6-222.

8. Tennessee Code Annotated § 67-6-222(5)(c) specifically states that any net tax savings "shall inure to the benefit of business customers" through an adjustment in prices in a rate reduction.

9. Only by participating and/or intervening in this proceeding can the Attorney General accomplish the purposes set forth by the General Assembly thereby representing and protecting the interests of Tennessee consumers in public utility services.

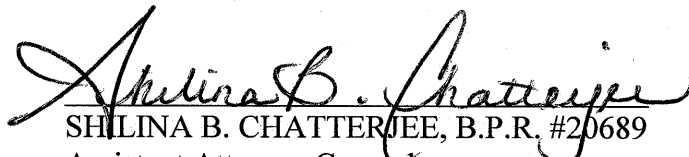

WHEREFORE, the Consumer Advocate and Protection Division of the Office of the Attorney General prays that Ardmore's tariff is denied or in the alternative that the Authority convene a contested case for the purpose of evaluating the issues in this matter.

Respectfully submitted,

PAUL G. SUMMERS, B.P.R. # 6285
